

# FREQUENTLY ASKED QUESTIONS

## PARTIES

### Q: Are parents included

**A:** Spectating parents are always free at Wheels Family Skating Center. Skating parents of the BIRTHDAY CHILD are free during the party. Skating parents (and siblings) of the PARTY GUESTS will be expected to pay for their own admission and skate rental unless they are included on the guest list provided by the party parents. We know that many families invite non-skating adults to celebrate with their child. Please keep in mind that the services and products included in your party package are for the counted skaters on your guest list only. Friends and family that may attend that are not on your guest list are not included. Additional menu items (pitchers of soft drink, hot dogs and pizza) are available at an additional cost. Please see the cafe menu for options and pricing.

### Q: Is the birthday child included

**A:** Since the birthday child receives all the same bonuses as the party guests (admission, skate rental, soft drink and food), the birthday child is counted in the final party count. Birthday parties with multiple honorees are counted in the same manner.

### Q: My child has a specific party theme, can we bring our own paper products

**A:** We use a colorful, roller skating party theme for our paper products. If your child prefers a specific party theme, please feel free to bring your own paper products and your hostess will be happy to use them for your party.

### Q: Can we serve ice cream with our cake

**A:** We can add Breyers Ice Cream to your party package for an additional fee. No ice cream may be brought into the facility.

### Q: Can we bring our own food to serve during the party

**A:** No outside food or beverages are permitted except birthday cake to serve during your reserved time. Our cafe has a variety of menu items available to serve your party guests.

### Q: We don't have a party reserved at the rink. Can we bring a cake and eat it in the concessions area

**A:** We do not allow outside food or beverages inside the rink except for reserved parties or for private parties.

### Q: How and when do we pay for our party

**A:** A deposit is due to reserve your desired party date by cash, debit or credit; the balance is due on the day of the party. We do not accept checks.
